Journeys with Joan

Drop in! Registration not required.

FREE activities exploring nature for all ages.

Glaciers to Great Lakes Wisconsin has an amazing gift – our Great Lakes! We'll explore how glacial ice has transformed our landscapes. *[June 23 and August 4]*

Fantastic Flyers: Mysteries of Migration Follow the journey made by insects, birds, and mammals. *[July 7]*

Finding Fossils Discover how plants and animals from an ancient sea transformed into the fossils we find at Crossroads. *[August 11 and 18]*

Rocks & Caves of Door County Exploring the Door County geology just below our feet. *[July 28]*

Butterflies Butterflies are masters of transformation. Seek summer butterflies in Crossroads' gardens, meadows, and fields. *[July 14 and 21]*

Great Lakes Fisheries Discover the wonders of our amazing Great Lakes Fisheries. *[June 30]*

Insect Safari Let's find the secrets of insects as they transform from egg to adult. Hand lenses and collecting nets provided. *[June16]*

Join the fun!

Tuesdays

Jun 16 – Aug 18

1 pm

Hosted in the Lower-Level Classroom at the Collins Learning Center
2041 Michigan Street, Sturgeon Bay, WI
